

# HUYNH YEN CHI

Intern Frontend Developer

## ABOUT ME

I am seeking a Frontend Internship opportunity to apply my software development expertise. I am capable of collaborating effectively with cross-functional teams, which will allow me to gain valuable professional work experience. Ultimately, my goal is to become a proficient Frontend Developer, building innovative and user-centric web applications.

## ACTIVITIES

### Personal Project: Coffee Style | Jun 2024 - Jul 2024

- Using the TailwindCSS framework to build a static web page with eagerness and passion to explore new animations and attributes.
- Knowing the fundamental operations of Git&GitHub, and deploying the project on Firebase.
